FILM INVESTMENT INTELLIGENCE

Definition of Done — March 31, 2026

Prepared by: Tarek Elnaggar | Powered by Lunim

This document answers one question: What exactly is done by March 31, 2026?

1 FINAL DELIVERABLES COMPLETED

Everything built, produced, and finalized as at March 31

- **Clean Investment Dataset —** 3,229 films validated, engineered, and export-ready (film_investment_data.csv)
- **5 EDA Visualisations —** Correlation heatmap, ROI distribution, budget vs revenue, genre/season analysis, budget tier breakdown
- **Gradient Boosting ML Model —** 75.4% accuracy / AUC 0.826 — exceeds all defined targets
- **Investment Decision Tool —** 4-tier probability output: Invest / Caution / Review / Do Not Invest
- **Streamlit Web Application —** Real-time investor-facing prediction tool — no technical knowledge required
- **EDA Presentation —** 15 slides with full speaker script (5–7 min, forum-ready)

2 WHERE EACH DELIVERABLE CAN BE FOUND

3 WHAT HAS BEEN TESTED OR VALIDATED

Evidence of quality, accuracy and integrity

- Model tested on 646 films — independent 20% hold-out test set — accuracy and AUC confirmed
- 4 real-world investment scenarios validated end-to-end:
  - — Horror $5M, Holiday release → 96.6% ☑ Invest with confidence
  - — Action $50M, Summer release → 85.7% ☑ Invest with confidence
  - — Comedy $15M, Spring release → 50.4% ⚠ Invest with caution
  - — Drama $200M, Off-Season → 9.0% ✕ Do not invest
- 3 core investment signals validated against full 3,229-film dataset
- Streamlit app tested locally — all inputs, outputs, and charts functional
- Dataset integrity confirmed — no imputation, no data leakage, no synthetic records

4 WHAT IS FULLY READY FOR REVIEW, HANDOFF, OR USE

Cleared for immediate stakeholder access

- ML model — ready for integration, further development, or technical review
- Streamlit app — ready for live investor demo or immediate internal use
- EDA Presentation — ready to deliver at any forum, client meeting, or review session
- All files named, structured, and documented — ready for full handoff

5 ANYTHING STILL OUTSTANDING

Open items, blockers, or incomplete work

Nothing is outstanding as at March 31.

All planned deliverables have been completed, tested, and are ready for review or use. No open items remain.

PROJECT COMPLETE ☑ All deliverables done. All targets exceeded. Ready for handoff.
